ELECTRIC GUITARS
AND BASSES

WELCOME TO ESP

Every guitarist, from beginner to veteran, knows that ultimate moment when it just feels right. You can't put it into words and nothing quite compares. That's why we take painstaking care in every guitar we build. From the selection of woods, to the quality components, to our handbuilt craftsmanship we have never lost our vision to provide you the finest guitars on the planet. And every ESP and LTD instrument is supported by a lifetime warranty.

ESP designs are innovative, unique and personal. It's no wonder that so many of today's most respected and successful artists have chosen ESP instruments.

Custom Shop

ESP's Custom Shop offers a selection limited only by your imagination. The instruments pictured on this page are just a few examples. A custom instrument can be hand built to your own specifications when you fill out the Custom Order Form on the back of this catalog and submit it to an authorized ESP dealer. You may also fax the completed form to ESP at 213 969-9335 for a suggested retail price quote. Call ESP anytime at 800 423-8388 with any questions, or to learn the name of an authorized dealer. You can access our current dealer list, Custom Order Form, and the products featured in this catalog at our website located at www.espguitars.com.
