# SWX

- The Sound That Moves-New SWX Series Models: SWX100/SWX65/SWX35/SWX20
- New SWX's offer greater sound variations for today's gigging bass player.
- New models are more compact and lighter weight.
- All Sound Wave SWX models are equipped with auto compression circuitry for clean and powerful sound, HUE control for tonal control and Bright and Shape switches for further sonic shaping.
- SWX35 and SWX65 feature Tilt-up System flapping bar for easy cabinet adjustment.

## Internal Auto Compression Circuit

All Sound Wave SWX series bass amplifiers are equipped with internal auto compression circuitry, which minimizes distortion and keeps the sound clean and powerful. (Auto-Comp LED indicator not included on SWX20)

## HUE Control

All Sound Wave SWX series bass amplifiers feature the HUE control, which adjusts overall tonal character.

## Bright Switch

Selectable Normal and Bright modes change the sound character immediately, from passive bass to active bass.

## Shape Switch

Instantly create the hi & low boost/cut sound, one of the most desirable tones for many bass players.

## Tilt-up Flapping Bars

Featured on both the SWX65 and SWX35 models. (see below)

## Direct Out

The SWX100 features a balanced XLR direct out for recording and performance.
