## California Series Models

A combined effort by our guitar makers in Corona, California, USA, and Ensenada, Baja California, Mexico, the California series of instruments represents one the best values in classically styled Fender® guitars and basses. All California series guitars and basses are produced along the Pacific Coast Highway. First the bodies and necks are cut and shaped in Corona. Then, they're sent to Ensenada where they're sanded, painted and buffed. Final assembly is then performed in Corona using genuine Fender hardware and electronics.

Unless otherwise noted, California Series Models share the following features: alder body, one-piece maple neck, 21 medium-jumbo frets, vintage hardware, white/black/white pickguard, deluxe gig bag.

# Limited Lifetime Warranty

(Applies to all Fender brand musical instruments\*.)

FMIC warrants this instrument to be free from defects in materials and workmanship for as long as it is owned by the original retail purchaser, subject to the limitations set forth herein. This warranty applies only to the original retail purchaser when this instrument is purchased from an authorized Fender dealer, and requires the purchaser to complete and submit the enclosed warranty registration card and to supply a copy of the original proof of purchase (original sales receipt with the instrument serial number and his/her name indicated as the purchaser, thereon) at the time service is requested.

Electronic components, tuning machines, and case hardware are warranted for a period of one year from the date of original purchase.

Repair service of defects covered by this warranty can be performed only at a Fender authorized warranty service center, as designated by FMIC. Remedies beyond normal service repair of any Fender instrument require both an evaluation of the defect and a direct recommendation from a Fender authorized service center for alternative considerations. A network of authorized service centers is available for warranty service. Your Fender dealer may also be authorized for warranty service and should be the first point of contact when service of any kind is required for your Fender guitar.

All transportation, insurance and freight charges associated with warranty service and repairs on Fender guitars are the responsibility of the purchaser, as is any service initiated for the purpose of customizing adjustments beyond factory specifications. Initial standard setup and adjustment of the instrument and its components at the time of purchase are considered normal dealer preparation.

### Limitations and exclusions

The following items are not covered by this warranty:

- Normal wear and tear on any part of the instrument including jacks, controls and switches, worn frets, plated surfaces, tuning machines, pickguards, saddles and nuts, etc.
- Defects in finishes, or cracks, splitting, or warpage of wood due to changes in temperature or humidity, exposure to sun, fire, moisture, body salts and acids, other chemicals or non-Fender supplied polishes.
- Instruments which have been serviced by unauthorized persons (any person other than Fender authorized service centers and technicians holding a certificate of warranty service authorization for the period during which the work was performed).
- Any instrument whose serial number is missing, or has been altered or tampered with in any fashion.
- Any instrument purchased from anyone other than an authorized Fender dealer.
- Strings and batteries.
- Case and case hardware wear and tear.
- All other defects and deterioration due to normal usage, wear and tear, aging, accidents, neglect, abuse, or acts of Nature.

FMIC assumes no liability for property damage resulting from failure of this product nor any loss of income, satisfaction, or damages arising from the loss of use of same due to defects or availability of same during service.

Any warranties implied by law (including warranties of merchantability or fitness) are limited to the duration of this express limited warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. Some states do not allow the exclusion or limitations of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

\*Applicable in the US and Canada only. Warranties outside these countries are as defined by the authorized Fender Distributor for your country or region, and may vary from the above in terms and/or length.

Main Office: Fender Musical Instruments Corporation, 7975 N. Hayden Road, Scottsdale, AZ 85258, U.S.A. Phone: (602) 596-9690.

All FMIC instruments are set up at our factory with Fender strings. We cannot guarantee top performance of your instrument if strings other than Fender, are used.

**\*Note: This warranty does not apply to Squier brand instruments.**

## Fender P.A. Equipment (cont'd)

### Tour Series RigSafe™ Loudspeaker Rigging and Flying Hardware

071-1349-000	<b>RS-1/2-SPA Shackle</b> .....	10.99B
	Used to attach the RigSafe™ Shackle Mount Extended to the steel cable or round sling that is attached to the support element for the flying loudspeaker array.	
071-1350-000	<b>RS-2912-TH IX2 Series Truss Module</b> .....	120.99B
	A trapezoidal shaped steel tubing that attaches to the top and bottom of each loudspeaker. Two RS-2912-TH units are required for each loudspeaker used in a multi-speaker array. Use with the 2912, 2915 and 118S.	
071-1351-000	<b>RS-IX2-40 Forty Degree Connecting Bar</b> .....	54.99B
	A machined aluminum bar that slips into a receptacle on the rear of both truss modules (top & bottom of the speaker cabinet) and is used to interconnect and control the horizontal display angles between loudspeakers. Two connecting bars and four quick release pins are required to connect each pair of cabinets.	
071-1352-000	<b>RS-IX2-SB Stacking Bracket</b> .....	43.99B
	Used for stacking multiple loudspeakers cabinets in vertical alignment without any tilt. Arrays may be up to 3 cabinets high. 4 stacking brackets and 8 quick release pins are necessary to connect 2 loudspeakers.	
071-1353-000	<b>RS-IX2-SAM Shackle Mount-Extended</b> .....	65.99B
	Attaches to the top truss module providing points for shackle attachment and/or lifting cables. At least 2 with 4 quick release pins are required for each array. The shackle mount extended may also be used to under hang a bottom cabinet with vertical tilt/angle control.	
071-1354-000	<b>RS-IX2SNM-AP Attachment Hardware Kit</b> .....	2.19B
	Used to secure RS-IX2-SME shackle mount to the RS-2912-TH truss in permanent installations. Eliminates the need for the four quick release pins.	

### Tour Series RigSafe™ Loudspeaker Rigging and Flying Hardware

071-1355-000	<b>RS-QRP-2.5 Quick Release Pin (2.5")</b> .....	17.59B
	Removable pin used to safely secure the elements of the RigSafe™ system (shackle mounts, connecting bars and stacking brackets) to the truss.	
071-1356-000	<b>RS-LSC9000 Locking Steel Carabiner, 9000 lb.(4083 kg) Capacity With Locking Gate</b> .....	25.29B
	For attachment of the lowest tier of loudspeakers when a downward tilt is required, or for quickly attaching a single cabinet when using the forged eyebolts.	
071-1357-000	<b>RS-FEB1 Forged Steel Eye Bolt</b> .....	5.49B
	For flying a single cabinet. Screws directly into the cabinet and creates flypoints to suspend the loudspeaker.	
071-1358-000	<b>RS-SSET Round Sling</b> .....	39.99B
	A 6 ft. (1.83m) nylon Polyester sling used to connect the loudspeaker array to the chain hoist motor or to box truss and/or other portable or building superstructures. (Round slings and Span Sets™ are prohibited for use in some countries. Please check with local authorities before purchasing.)	

### Educational Materials

991-7000-000	<b>“Making The Connection” The Fender Pro Audio Primer (English)</b> .....	19.95
	A complete self-teaching course on pro audio. “Making The Connection” is an informative, 250 page book that assumes no previous knowledge of pro audio. It brings the reader up to speed quickly and applies to any Fender pro audio sound system. “Making The Connection” is also very useful for training a retail P.A. sales staff.	
991-7000-002	<b>“Conectando” El manual de audio de Fender (Spanish)</b> .....	19.95
	A Spanish version of the “Making The Connection” book (see above). 200 pages.	
004-9646-000	<b>“Flying with Fender Rigsafe™”</b> .....	N/C
	A brief manual to familiarize the reader with the parts in Fender’s RigSafe flying system for use with the Tour Series and Contractor Series loudspeakers. Weights and working load limits of all parts are listed for the professional rigger. 4 pages.	

## 5-Year Transferable Limited Warranty

(Applies to all Fender brand amplifier and pro audio products)

FMIC warrants that the Fender product you have purchased shall be free of any defects in parts and workmanship if used under normal operating conditions for a period of five (5) years from the date of purchase, except that light bulbs, vacuum tubes and meters are warranted for a period of ninety (90) days from the date of purchase, and speakers are warranted for a period of one (1) year from the date of purchase. This warranty shall run to the original purchaser when purchased from an Authorized Fender Dealer and any transferee of a retail purchaser. **IMPORTANT: PLEASE RETAIN YOUR SALES RECEIPT AS IT IS YOUR PROOF OF PURCHASE COVERING YOUR LIMITED WARRANTY. IF YOU WANT TO TRANSFER THE WARRANTY TO A SUBSEQUENT PURCHASER OF THE PRODUCT, YOU MUST ENDORSE THE SALES RECEIPT TO SUCH SUBSEQUENT PURCHASER. THIS LIMITED WARRANTY IS VOID WITHOUT SUCH A SALES RECEIPT.**

Defective parts presented during the applicable warranty period with proof of purchase will be repaired or replaced without charge if the complete product is returned to any Authorized Fender Electronics Service Center. Any repair or service performed by any person or entity other than an Authorized Fender Electronics Service Center is not covered by this limited warranty. Transportation costs are not included in this limited warranty.

This limited warranty becomes void if the serial number on any product is defaced or removed, or the product has been damaged by alteration, misuse, rental, accident or neglect: or the product has been repaired or serviced by persons not authorized by Fender. **THE FOREGOING CONSTITUTES THE ONLY WARRANTY MADE BY FENDER WITH RESPECT TO THE PRODUCTS AND IS MADE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES EXPRESS OR IMPLIED.** Any implied warranties, including without limitations, any implied warranties of merchantability or fitness for any particular purpose, imposed under state law are limited to the duration of this limited warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. This warranty applies only to products purchased and serviced within the U.S.A. and Canada.

Warranties outside these countries are as defined by the authorized Fender Distributor for your country or region, and may vary from the above in terms and/or length.
