Limited Lifetime Warranty

(Applies to all Fender brand musical instruments*)

FMIC warrants this instrument to be free from defects in materials and workmanship for as long as it is owned by the original retail purchaser, subject to the limitations set forth herein. This warranty applies only to the original retail purchaser when this instrument is purchased from an authorized Fender dealer, and requires the purchaser to supply a copy of the original proof of purchase (original sales receipt with the instrument serial number and his/her name indicated as the purchaser, thereon) at the time service is requested.

Electronic components, tuning machines, and case hardware are warranted for a period of one year from the date of original purchase.

Repair service of defects covered by this warranty can be performed only at a Fender authorized warranty service center, as designated by FMIC. Remedies beyond normal service repair of any Fender instrument require both an evaluation of the defect and a direct recommendation from a Fender authorized service center for alternative considerations. A network of authorized service centers is available for warranty service. Your Fender dealer may also be authorized for warranty service and should be the first point of contact when service of any kind is required for your Fender guitar.

All transportation, insurance and freight charges associated with warranty service and repairs on Fender guitars are the responsibility of the purchaser, as is any service initiated for the purpose of customizing adjustments beyond factory specifications. Initial standard setup and adjustment of the instrument and its components at the time of purchase are considered normal dealer preparation.

Limitations and exclusions

The following items are not covered by this warranty:

- Normal wear and tear on any part of the instrument including jacks, controls and switches, worn frets, plated surfaces, tuning machines, pickguard, saddles and nuts, etc.
- Defects in finishes, or cracks, splitting, or warpage of wood due to changes in temperature or humidity, exposure to sun, fire, moisture, body salts and acids, other chemicals or non-Fender supplied polishes.
- Instruments which have been serviced by unauthorized persons (any person other than Fender authorized service centers and technicians holding a certificate of warranty service authorization for the period during which the work was performed).
- Any instrument whose serial number is missing, or has been altered or tampered with in any fashion.
- Any instrument purchased from anyone other than an authorized Fender dealer.
- Strings and batteries.
- Case and case hardware wear and tear.
- All other defects and deterioration due to normal usage, wear and tear, aging, accidents, neglect, abuse, or acts of Nature.

FMIC assumes no liability for property damage resulting from failure of this product nor any loss of income, satisfaction, or damages arising from the loss of use of same due to defects or availability of same during service.

Any warranties implied by law (including warranties of merchantability or fitness) are limited to the duration of this express limited warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. Some states do not allow the exclusion or limitations of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

*Applicable in the US and Canada only. Warranties outside these countries are as defined by the authorized Fender Distributor for your country or region, and may vary from the above in terms and/or length.

All FMIC instruments are set up at our factory with Fender strings.
We cannot guarantee top performance of your instrument if strings other than Fender are used.

Time Machine™ Models

Six models built to exacting specifications of their respective vintages, including: body contours and radii, neck shape, fingerboard radius, pickups, electronics and hardware. Original materials, tooling and production techniques are employed whenever possible.

Each model is available in three distinct finish packages—

1. NOS (New Old Stock): as if the guitar was bought new in its respective year and brought forward in time to the present day.
2. Closet Classic: as if the guitar was bought new in its respective year, played perhaps a dozen times a year and then put carefully away. Has a few small “dings”, lightly checked finish, oxidized hardware, and aged plastic parts.
3. Relic: shows natural wear and tear of years of heavy use— nicks, scratches, worn finish, rusty hardware, and aged plastic parts.

Fender Color / Case Codes

To order an instrument in the desired color, refer to the three digit color code suffix in the price list. The first digit of the three digit color code listed with the instrument also tell you if the instrument is offered without case, with a deluxe gig bag or with case. It will also tell you what type of case is included, if any.

- A first digit of "3" indicates the instrument is offered with deluxe Fender gig bag. Example: 306 = a black instrument with deluxe gig bag.
- A first digit of "5" indicates the instrument is offered less case. Example: 506 = a black instrument without case.
- A first digit of "7" indicates the instrument is offered with standard Fender case. Example: 706 = a black instrument with standard case.
- A first digit of "8" indicates the instrument is offered with deluxe Fender case. Example: 806 = a black instrument with deluxe Fender case.
