Time Machine™ Models

Six models built to exacting specifications of their respective vintages, including: body contours and radii, neck shape, fingerboard radius, pickups, electronics and hardware. Original materials, tooling and production techniques are employed whenever possible.

Each model is available in three distinct finish packages—

1. NOS (New Old Stock): as if the guitar was bought new in its respective year and brought forward in time to the present day.
2. Closet Classic: as if the guitar was bought new in its respective year, played perhaps a dozen times a year and then put carefully away. Has a few small “dings”, lightly checked finish, oxidized hardware, and aged plastic parts.
3. Relic: shows natural wear and tear of years of heavy use— nicks, scratches, worn finish, rusty hardware, and aged plastic parts.

Fender Color / Case Codes

To order an instrument in the desired color, refer to the three digit color code suffix in the price list. The first digit of the three digit color code listed with the instrument also tell you if the instrument is offered without case, with a deluxe gig bag or with case. It will also tell you what type of case is included, if any.

- A first digit of "3" indicates the instrument is offered with deluxe Fender gig bag. Example: 306 = a black instrument with deluxe gig bag.
- A first digit of "5" indicates the instrument is offered less case. Example: 506 = a black instrument without case.
- A first digit of "7" indicates the instrument is offered with standard Fender case. Example: 706 = a black instrument with standard case.
- A first digit of "8" indicates the instrument is offered with deluxe Fender case. Example: 806 = a black instrument with deluxe Fender case.
