

Catch The Tiger

AR-300CS

And catch the beauty of a select, bookmatched tiger maple top. The new Ibanez Artist AR-100, AR-300 and AR-500 now feature this classic touch at no extra cost.

Add exclusive Ibanez features like Tri-Sound, Super 58 or V-2 pickups, and the amazing EQ Tone System and there isn't another guitar in the jungle to compare.

THE ARTIST
Ibanez

Ibanez *New Artist Series*

Simplicity of design . . . Quality in craftsmanship . . . Unsurpassed features. These have been the criteria since the introduction of the Ibanez Artist Series. And you'll find even

more in the latest generation of Artists — today's perfect guitars destined to be tomorrow's classics.
