# VINTAGE GUITARS

We also stock vintage guitars.

ESP was established in 1975 by guitar customers credited with introducing some of the most famous instruments to the music world over a period of 20 years. ESP's objective is to develop the ultimate "ideal instrument." Every guitar produced by ESP is handcrafted and displays the finest possible quality down to the last detail.

ESP utilizes an innovative and unique approach in the development of such guitar-related products as customized parts, effects, and attachments.

ESP guitars, made by experienced craftsmen and known in their field, are characterized by their precision. The fact that ESP guitars are widely used by top artists is proof of their quality.
