

The image features a dark, monochromatic background of a guitar fretboard. The strings and frets are visible, creating a sense of depth. In the upper center, the word "Jackson" is written in a white, elegant cursive script with a registered trademark symbol. A large, semi-transparent version of the same cursive logo is overlaid on the fretboard, stretching across the middle of the image. At the bottom, the words "GUITAR SIGNATURE SERIES" are printed in a bold, white, sans-serif font.

A black and white photograph of Chris Broderick, the bassist for Megadeth, playing a bass guitar. He has long, dark hair and is wearing a dark jacket and a watch. The background is dark and industrial, possibly a stage or rehearsal space. The text is overlaid on the image.

CHRIS BRODERICK

MEGADETH

ACT OF DEFIANCE

USA SIGNATURE SOLOIST 7

Ebony Fingerboard, Gloss Black

MODEL NUMBER 2803057803

With his dazzling thrash fretwork, guitarist Chris Broderick is heralded as an exacting and modern metal master.

Although enjoying an exciting stint as the lead and rhythm guitarist for Megadeth, Broderick and former Megadeth drummer Shawn Drover opted to leave the thrash metal giants in 2014 to form their own extreme metal band, Act of Defiance, along with singer Henry Derek (Scar the Martyr) and bassist Matt Bachand (Shadows Fall).

In collaboration with Jackson Custom Shop, Master Builder Mike Shannon, modern metal master Chris Broderick designed his own special take on the venerable Soloist. The USA Signature Chris Broderick Soloist is a sophisticated riffing machine loaded with the premium features needed to keep up with the most demanding music produced today.

SOLOIST 7

MODEL NUMBER: 2913057576

When Broderick first came to Jackson to design his own signature model, he had very exacting demands in mind for his take on the venerable Soloist™. Finding a more-than-willing partner up for the challenge, Broderick coined the longstanding high-performance guitar giant as the “company that could.”

The results of the collaboration are sophisticated riffing machines loaded with the premium features needed to keep up with the most demanding music produced today.

SOLOIST HT6

MODEL NUMBER: 2914055527

The Pro Series Signature Chris Broderick Soloist HT6 is a 25.5” scale guitar featuring a resonant mahogany body and one-piece through-body maple neck with scarf joint and graphite reinforcement for rock-solid sustain and stability. Its 12”-radius rosewood fingerboard with 24 jumbo frets is ideal for all playing styles, comfortable for both low riffing and soaring leads.

SOUND EX

PERFORMANCE

A black and white photograph of Marty Friedman, the lead guitarist of Megadeth. He is shown from the chest up, wearing a dark leather jacket and a wig of long, curly hair. He is playing a dark electric guitar and has his head tilted back with his mouth open as if singing. The background is dark and out of focus.

MARTY FRIEDMAN

MEGADETH

X SERIES SIGNATURE

Rosewood Fingerboard, Gloss Black
with White Bevels

MODEL NUMBER 2916910572

One of the most influential and respected players in the world, Marty Friedman's impactful and game-changing contributions to heavy metal and guitar in general continue to inspire generations of musicians and music fans to this day.

Friedman defined modern guitar playing with Jason Becker in Cacophony, was a key element in the wildly successful rise of thrash pioneers Megadeth, and with his "Marty-esque" improvisations and exotic fusion of Eastern and Western music, has achieved global success with his 13 solo albums.

Jackson is incredibly proud and honored to continue a longstanding relationship with Friedman by collaborating with the virtuoso on the X Series Signature Marty Friedman MF-1.

MISHA MANSOOR

PERIPHERY

LIMITED EDITION

Juggernaut HT6, Ebony Fingerboard, Matte Lambo Orange

MODEL NUMBER 2803356829

Misha Mansoor is acclaimed for his masterful guitar work in fashioning the progressive metal of Periphery, and Jackson is proud to have collaborated so closely with the esteemed Djent-leman on the USA Signature Limited Edition Misha Mansoor Juggernaut HT6, a model like nothing else Jackson has ever seen—or heard—before.

The instrument is crafted with a distinctive Jackson body shape inspired by the Dinky™, with sleekly scalloped horns, a comfortably contoured neck heel. The bolt-on quartersawn maple neck is sculpted with Mansoor's own custom profile, and features graphite reinforcement, ivoroid binding and heel-mount truss rod adjustment wheel.

Includes custom black Jackson case with blue edges and Mansoor's "Bulb" logo.

Available in a limited edition vivid Matte Lambo Orange satin finish.

JUGGUERNAUT

HT7, Caramelized Flame Maple Fingerboard, Satin Red

HT7, Caramelized Flame Maple Fingerboard, Satin Amber Tiger Eye

JUGGUENAUT SATIN RED

MODEL NUMBER 2803367839

Misha Mansoor is acclaimed for his masterful guitar work in fashioning the progressive metal of Periphery, and Jackson is proud to have collaborated so closely with the esteemed Djent forefather and speed demon on the USA Signature Misha Mansoor Juggernaut HT7, a model sure to impress the most discerning guitarists.

This unique 7-string instrument is sculpted with a distinctive Jackson body shape inspired by the Dinky,[™] with sleekly scalloped horns and a comfortably contoured neck heel.

TIGER EYE

MODEL NUMBER 2803367880

The guitar's tonally versatile sound comes from Mansoor's dual Bare Knuckle Juggernaut humbucking pickups with brushed chrome covers, five-way switching, single volume control knob and a push-pull (on/off) tone knob. Other premium features include a matching Jackson 4x3 AT1 headstock with Hipshot[®] open-gear locking tuners and a fixed Hipshot hardtail bridge, Dunlop[®] dual-locking strap buttons and more.

A close-up, top-down view of the body of a blue electric guitar. The body has a 'Satin Laguna Burst' finish, showing a gradient from a darker blue at the top to a lighter, more textured blue at the bottom. A silver humbucker pickup is mounted on the right side, with six strings running across it. A black bridge pickup is visible on the left. The guitar's body curves from the top left towards the bottom right. The background is a plain white surface.

SCOTT IAN

ANTHRAX

X SERIES KING V

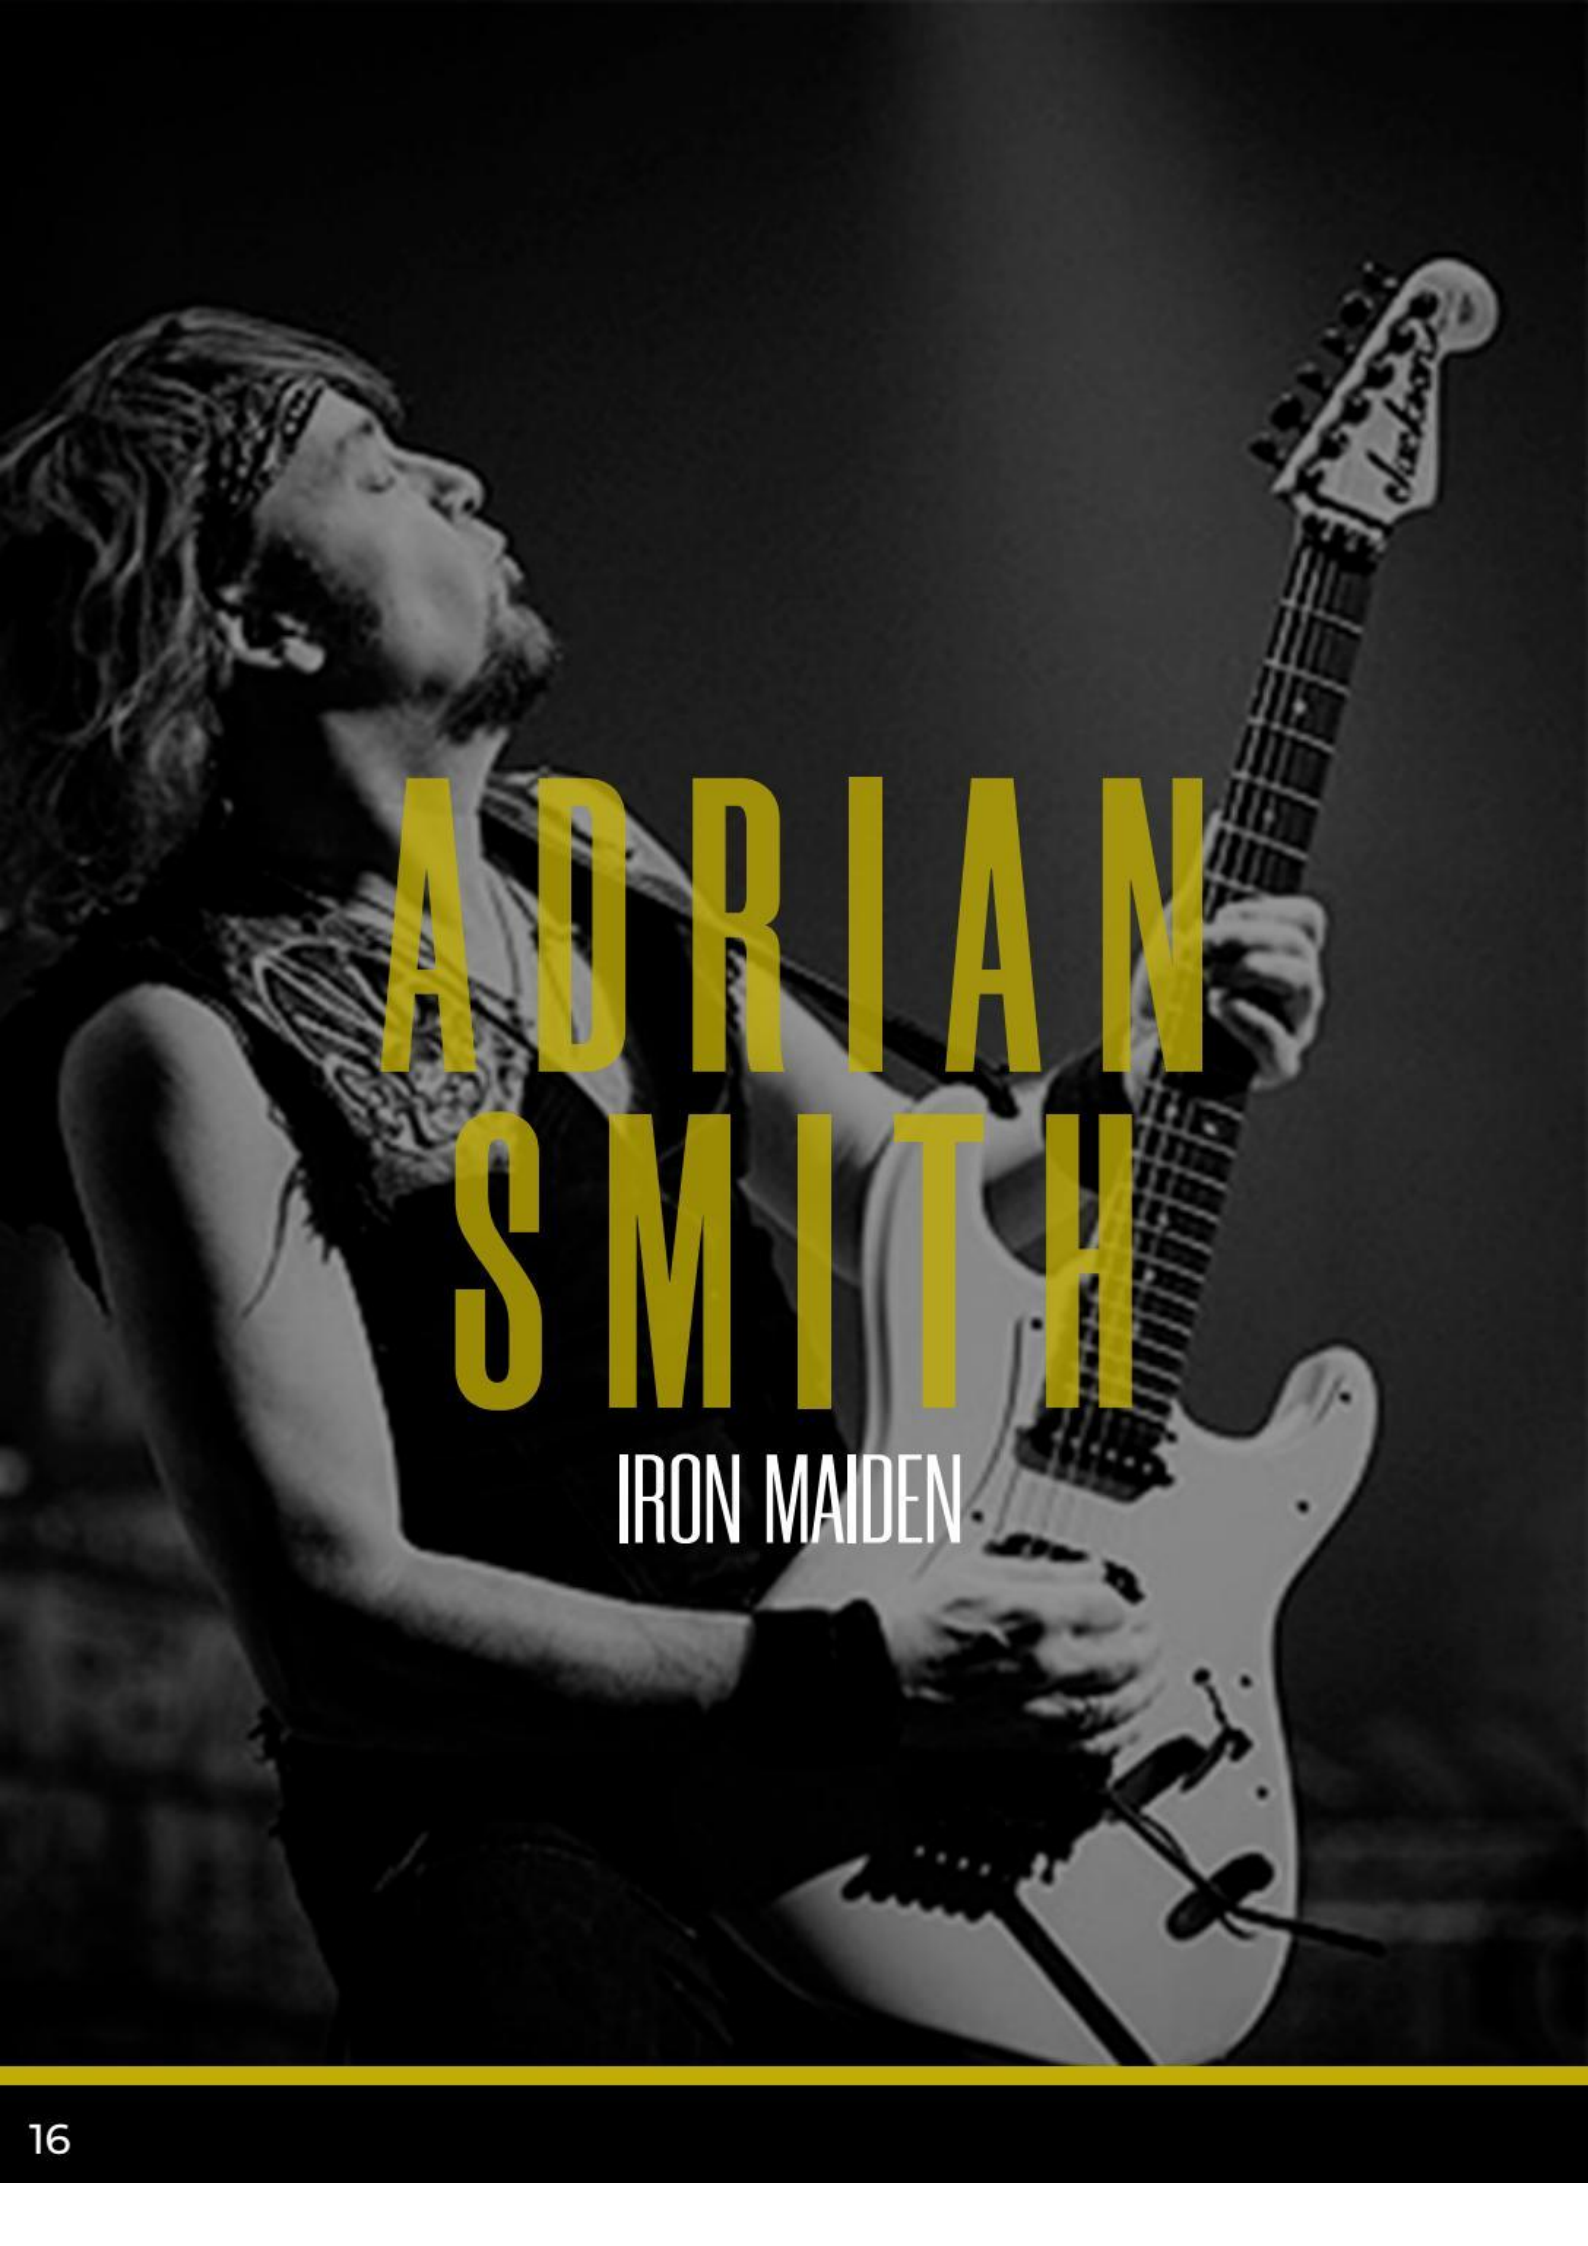

Rosewood Fingerboard,
Ivory / Gloss Black

MODEL NUMBER 2916402555
MODEL NUMBER 2916403503

Anthrax, along with Metallica, Megadeth and Slayer redefined the metal genre in the '80s, combining the speed and fury of hardcore punk with the prominent guitars and vocals of heavy metal to create a new subgenre. Billed as the Big Four, these influential bands put speed and thrash metal on the map.

A co-founder of New York "Big Four" thrash metal institution Anthrax, guitarist Scott Ian has pummeled audiences with his huge sound and formidable chops for close to four decades.

ADRIAN SMITH

IRON MAIDEN

X SERIES SIGNATURE

SDXQ, Maple Fingerboard,
Transparent Green

MODEL NUMBER 2913052587

Iron Maiden are an institution. Over the course of nearly 40 years they have come to embody a spirit of fearless creative independence, ferocious dedication to their fans, and a cheerful indifference to their critics that's won them a following that spans every culture, generation, and time zone. A story of gritty determination and courageous defiance of the naysayers, theirs has been an adventure like no other, and they're showing no signs of slowing down.

The Number of the Beast also marked guitarist Adrian Smith's first song-writing contributions in the band. A childhood friend of Dave Murray, Smith joined Iron Maiden in 1980, and recorded the Killers album in 1981, but did not begin co-writing with the band until on "Gangland" and "The Prisoner."

SAN DIMAS DK

MODEL NUMBER 2803051876

Iron Maiden is one of the most successful and influential metal bands ever, thanks to the molten yet melodic guitar work of Adrian Smith. With timeless songwriting and thrilling live performances, Maiden continues to record, tour internationally and rock stadiums everywhere with electricity.

ROSEWOOD FINGERBOARD

MODEL NUMBER 2913051576

The affordable X Series Signature Adrian Smith SDX features a basswood body, bolt-on maple neck, compound-radius rosewood or maple fingerboard, HSS configuration (high-output Jackson bridge pickup, Jackson standard middle and neck single-coil pickups), white pickguard (rosewood fingerboard model) or black pickguard (maple fingerboard model), five-way blade selector switch, Jackson tuners, Floyd Rose® Special tremolo system and black hardware.

MICK THOMSON

SLIPKNOT

USA SIGNATURE

Ebony Fingerboard, Gloss Black

MODEL NUMBER 2804271803

Mick Thomson's black hole-heavy de-tuned guitar sound has been an integral part of Slipknot for more than two decades. With over 16 million records/videos sold and an impressive stream of ongoing sold-out worldwide tours, the Grammy award-winning, multi-platinum band continues to be a dominant force in modern metal music.

This signature Soloist is powered by a pair of Mick Thomson signature Seymour Duncan® Blackouts to complement the complex, crushing riffs Thomson plays in dropped tunings. The EMTY bridge pickup offers the energy and output of the original Blackouts but with Thomson's custom voicing to emphasize the percussive chunk of palm-muted notes. Designed for crystal clear clean tones, the EMTY neck pickup can also produce more aggressive mids and increased sustain for high-speed solos and ominous melodic interludes when you crank up the gain

DEEP BLOOD METALLIC

MODEL NUMBER 2803433809

Jackson pays tribute to Thomson with the new USA Custom Mick Thomson Limited Edition Signature Soloist™ guitar.

Premium features include a genuine mahogany bound body coupled with a graphite reinforced through-body three-piece quartersawn maple/rosewood/maple neck—carved to a custom super-thin profile for maximum comfort and high-speed playability, and a 12"-16" compound radius ebony fingerboard with 24 frets.

ARTIC WHITE

MODEL NUMBER 2914224576

Other features include a fixed Floyd Rose® bridge and locking nut for laser-accurate intonation and ultra-stable tuning, single master volume control, three-way blade and a uniquely angled side jack.

Beastly sounding, it's also a beauty in a show-stopping Deep Blood Metallic with a matching reversed pointed 6-in-line headstock and black hardware, including Schaller® strap locks and Gotoh® tuners. Comes in a custom Anvil® case along with special case candy items such as a certificate autographed by Thomson.
