CASE

PROTECTOR CASE

Made of fiberglass and polypropylene compound with impact resistant latches that make ordinary keylock systems obsolete. Plush velour lining with extra thick inner foam cushion. Built in accessory case. Contour handle for carrying vertically or horizontally. Underside padded with soft rubber for maximum comfort. Weighs 10 lbs. 4 oz. Case price \$109.50

A CASE FOR PROTECTION

In order to properly protect your Gibson guitar and to smooth the processing and shipment of orders, we will continue to ship Gibson guitars only in the cases specified in the catalogue unless you specifically order a guitar without a case. Research has convinced us that we better serve you and protect your Gibson by combining the two. Ordering guitars without cases requires special packing and handling.

FOR EXTRA PROTECTION

Use Gibson zipper covers; tailor-made for Gibson cases.
