Dear Fender Dealer:

Our face is red! In our anxiety to send you the October 1st Price List and announce the introduction of the new Squier line we inadvertently omitted the Sidekick amplifiers from the Fender price list. The Sidekick amplifiers, as outlined in the April 1, 1988 Fender price list, are still available with no change in prices. We are sorry for this oversight and hope it has not created any inconvenience for you.

Now for some good news. The "Power" Jazz Bass Special (27-9000) and Jazz Bass Special (27-6400) are available for immediate delivery in three new colors; 581 Brite White, 583 Ice Blue and 584 Razz Berry.

Thank you for your continued support of Fender products.

Sincerely,

*Bruce J. Bolen
Vice President, Marketing*
