● CLASSIC VIBE JAZZ BASS® '60S

505 (Olympic White)

The Classic Vibe Jazz Bass® '60s has all of the "deluxe" elements its big brother Fender® did when first introduced in the 1960s—groovy off-set waist design, narrow width-fast action maple neck with rosewood fingerboard, two custom single-coil pickups with AINiCo V magnets, individual volume controls that allow players to "solo" either pickup's sound or blend them together to create different sounds and a master tone control for overall tone shaping. The look is Fender® all the way - classic Olympic White over basswood and traditional tortoise shell pickguard with thumbrest. Features include a HiMass bridge with brass barrel saddles, rosewood equipped 20 fret vintage tint gloss maple neck with the modern playability of a 9.5" radius and vintage-style frets. Tonal versatility and an up front sound: quick and punchy with enough clarity and harmonics to slap and pop.
